

Minutes for the December 11th meeting...

The North Iowa Diversity Appreciation Team met at the Mason City Public Library's large group study room on Wednesday, December 11, 2019. Those in attendance were Bill Orozco, Dan Gapinski, Jane Ginapp, April Concepcion, Katie Koehler, and Diane Murphy.

Bill called the meeting to order at 4:34 pm. It was determined that we had a quorum.

Minutes from 11-13: Dan made the motion to accept and approve the minutes. Diane seconded the motion. The motion passed.

Treasurer's Report:

Diane reported that the bank balance started at \$9,134.49, with the Farrer grant of \$500 and a bank charge of \$0.20, it showed an ending balance at \$9,634.29.

Website update:

Diane has continued to upload the agenda and minutes in the NIDAT site. The "contest" tab was changed to "events". She will work on the website updates.

Ethnic Lunch Survey:

There were two vendors who promptly replied to the short, 8-question Survey Monkey survey. A follow up will be sent to the vendors to capture to generate feedback. The hope is to get additional response to present at the next meeting.

Art/Writing Contest:

Katie is working with NIACC to confirm the Beem Center. She will know more sometime in January. She has a slide show with an audio read-out and a short video clip for publicity. It is ready to promote the program as soon as the venue is secured.

Grant status:

No update as both the Principal and Farrer grants are received and deposited.

Bill called the meeting to adjourn. Dan made a motion, this was seconded by Diane. Motion passed and meeting adjourned at 4:56 pm.

Respectfully submitted,

April Concepcion
